# Chef Teacher

It was awarded the Grand Prize of Recreation of the local region hosted by the Hometown famous items of the Year

This project is a class in which foreign "Chef Teacher" not only teaches children their own foods in the elementary school but also teach them to interact with the life and culture of the country of origin through talks.

Many people ask us to open same kind of class for adults. Are you ready to participate this special opportunity and enjoy cooking as well as exchanging each other.
